

PSAI Scholarship Information

The PSAI has long promoted advancement through education.

Please support this worthwhile investment by making a gift today! The PSAI Scholarship Fund needs every PSAI Member Company's contribution over a five-year period to reach our \$250,000 goal. In order to reach our goal in our current 5 year plan, we need to have the total of pledges reaching \$38,200 per year. This will allow us to stay on our pledge plan of awarding 5/\$5000 scholarships per year and reach our \$250,000 goal after 5 years.

Every year the PSAI awards at least five scholarships of \$5,000 each to individuals in our industry who have made a commitment to advancing themselves through higher education. PSAI scholarships are awarded to qualified incoming freshmen and current college undergraduates who are employees or are immediate family members of employees of a PSAI Member Company in good standing - worldwide!

Since the program's founding in 2004, 109 college students have received PSAI Scholarship funds totaling \$307,500. This year we will be assisting at least five more worthy students with their college educations through the PSAI Scholarship Program. To qualify for a PSAI scholarship the applicant must:

- Be a full-time employee of a PSAI Member company, or the child or spouse of an employee who has been working for a PSAI Member company for a minimum of two years.
- Be a high school senior or college undergraduate enrolled full time at a four-year or two-year college, vocational or technical school, OR be working full-time at a portable restroom company and enrolled for at least six semester hours as a part-time student.
- Have a 3.0 GPA or above (official transcript required).
- Earn a minimum SAT score of 1000, ACT score of 21, or country equivalent.
- Submit an essay on the importance and value of portable sanitation.

Congratulations to this year's PSAI Scholarship Award Winners!

PSAI Scholarship Fund

Advancement through education is a concept the PSAI has long promoted. We hope you will support this worthwhile investment at the level that makes you feel good.

To fund the PSAI Scholarship Fund we need every PSAI Member Company's contribution over a five-year period to pledge to reach our \$250,000 goal.

The \$250,000 in pledges will allow us to award five \$5,000 scholarships each year to graduating high school students and current undergraduate college students.

PSAI Scholarships are awarded to employees and their immediate family members of PSAI Member and associate Member companies worldwide. Think of the scholarship awards as another company fringe benefit.

Please forward your pledge to Lee Sola via email at lsola@sbprestrooms.com or mail to C. Lee Sola, C/O S&B Porta-Bowl Restrooms, 3263 Oakland St., Aurora, CO 80010.
