

PORTABLE SANITATION ASSOCIATION INTERNATIONAL 2ND ANNUAL URGENT RUN/WALK

Please join the PSAI in our annual Urgent Run/Walk as a celebration of World Toilet Day and World Portable Sanitation Day! The PSAI will join with the World Toilet Organization (WTO), the United Nations, and other groups around the world to promote toilet options that help address the global sanitation crisis!

Have fun with friends and colleagues, learn how to grow awareness in your community, and raise awareness about global sanitation issues! Proceeds from the event will be divided between Rise Tampa Police Foundation, a charity assisting first responders with their programs, and Friends of Ngong Road (FoNR), the parent charity operating Karibu Loo in Nairobi, Kenya. FoNR assists children whose families have been affected by AIDS in completing their schooling. Karibu Loo is a portable restroom operation that helps fund FoNR and provides employment opportunities for program graduates.
