Updating Portable Sanitation Excellence: What Research Shows about Basic Service Technician Competence

The PSAI has been researching the requirements for service technician competence since 2015. We'll share our findings and describe both the updated training program and new certification structure designed to support excellence in our industry.

Introduction to the HOLLway (Hands On Learning Labs)

Coffee Break

On the Trade Show Floor

HOLLway Workshops

Four 30-minute sessions with 3 breaks of 10 minutes to move between stations. Choose from the following topics:

- Maintaining and rebuilding pumps
- Conducting DOT-compliant pre-trip and post-trip inspections
- Servicing and maintaining luxury restroom trailers
- Refurbishing a standard portable restroom unit
- Building the ideal truck
- Cleaning portable sanitation equipment (units/hand wash stations)
- Leveraging the science of deodorizers
- Winter solutions: mixing brine and other options

Lunch on the Trade Show Floor

Included in your registration fees

Trade Show Open – Join the Scavenger Hunt

Street Fair: Fun and Games with the PSAI

Join us for a party where we wrap up the trade show, declare the silent auction winners, and award this year's big prizes!

Continental Breakfast

Included in your registration

PSAI Basic Service Technician Courses and Certification Exam (extra fees)

Take one or all of these courses

- Transportation and Logistics in Portable Sanitation (1.5 hours)
- Servicing and Maintaining Portable Sanitation Equipment (2 hours)
- Health, Safety, and Professionalism (2.5 hours)

Take the updated Portable Sanitation Professional Certification Exam (1 hour)

Topical Roundtable Discussions II

ICC, ADA, and Portable Restroom Trailers: New Code Implications

Keegan Campbell and David Harling of Ameri-Can Engineering are well versed on the latest changes to the International Code Council's standards. They will provide an update to the recent changes in ICC's requirements and how that affects accessibility and ADA requirements for both the equipment and operations in the restroom trailer industry.

Coffee Break

Transforming the Image of the Portable Sanitation Industry: A Roadmap to the Tipping Point

PSAI Executive Director Karleen Kos will describe the Association's strategy for moving our industry from a not-always-appreciated service to a respected alternative using principles from Malcolm Gladwell's bestselling book "The Tipping Point."

Final Announcements

Board Meeting - Open to All PSAI Members
