URGENT RUN WILL BENEFIT RISE TAMPA OUR POLICE FOUNDATION

TAMPA, FLORIDA — The Portable Sanitation Association International (PSAI) will host its annual Urgent Run on Thursday, November 15, 2018 beginning at 8:30 a.m. The public is invited to attend the event which will begin near the visitor’s parking circle at the Tampa Convention Center. Rise Tampa Our Police Foundation will be one of the beneficiaries of this year’s funds.

The PSAI is proud to partner with the World Toilet Organization and participants around the world to host the 2018 Urgent Run. As part of activities to commemorate World Toilet Day and World Portable Sanitation Day on November 19, this annual event is a global call for urgent action to end the sanitation crisis. Communities from around the world come together to support organizations making a difference in the lives of people dealing with sanitation issues.
Making a Positive Impact

The Urgent Run raises funds to assist charities associated with sanitation issues. The funds from this year’s Urgent Run event will be divided between Rise Tampa Our Police Foundation, a charity assisting first responders with their programs, and Friends of Ngong Road (FoNR), the parent charity operating Karibu Loo in Nairobi, Kenya. FoNR assists children whose families have been affected by AIDS in completing their schooling. Karibu Loo is a portable restroom operation that helps fund FoNR and provides employment opportunities for program graduates.
