2019 ACCOMPLISHMENTS

IN 2019-2020, THE PSAI:

- Welcomed nearly 80 new Member companies, growing its membership by 2%.
- Published the first-ever portable sanitation industry report on waste disposal costs and options for companies.
- Launched a re-designed certification program for the portable sanitation industry. It’s the only certification of its kind, and there are credentials for both apprentices and professionals.
- More than 600 people are currently certified, and more than 2,500 have been certified since 1992.
- Customized the PSAI Basic Service Technician Training Series and the Certification exam for the Province of Ontario, and formed an alliance with OASIS to be the exclusive provider of portable sanitation-specific training there.

Did you know the cost to dispose of waste can range from $0.03 to $1.00 per gallon in the US? The average is around $0.11.

Number of Ontario certified people in the first class: 15
2019 ACCOMPLISHMENTS

IN 2019-2020, THE PSAI:

Published industry-specific resources including annual economic forecasts and best practice tips. Our Industry Library now has more than 100 articles and presentations Members can access any time.

 Rolled out a new database system so that Member companies can create accounts for all their employees, giving them access to the PSAI’s resources and ensuring they receive our bi-weekly newsletter.

You can create an account for up to 100 employees.

Introduced Virtual Roundtable discussions. These sessions, free to Members, cover hot topics like how to recruit the drivers you need.

So far we’ve held 2 sessions, and 3 more are being planned for the coming months.

Transitioned from a weekly to a bi-weekly newsletter, offering even more portable sanitation-specific content in each Association Insight.

Number of newsletters: 100
Average number of pages: 45

2019 ACCOMPLISHMENTS

IN 2019-2020, THE PSAI:

Donated $7,000 to sanitation-related charities.

Offered 8 virtual training courses on portable sanitation-specific topics.

Provided $25,000 in scholarships to 5 worthy recipients from portable sanitation families.

In addition to this, we answered hundreds of questions from portable sanitation professionals, government officials and the general public; published frequent social media posts; saw our way through an ANSI audit, moved the PSAI office into different space; and had a successful financial year.

It’s a great time to be a Member of the PSAI!
